27th January, 1939.

Dear Sirs,

S. With reference to my letter of the 20th ultimo respecting your Steamer "DUNLUCE CASTLE", I beg to acquaint you that the Committee have today had before them a report from the Society's Surveyors at this Port, from which it appears that this vessel has been played in dry dock and a general examination as far as practicable carried out with a view to the postponement of the Third Special Survey No.2.

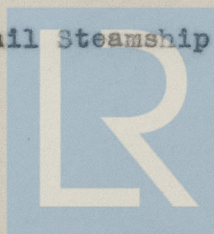

As a result of this examination, I have the pleasure to say that the Committee have agreed to continue this vessel's class, as desired, until the end of June next, when it is understood she will be withdrawn from service.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
