

Trieste Rpt.7361.

M / V " M A R I A " C.N.T.No.159.

LIST OF MACHINERY SPARE GEAR.-

- Cylinder cover complete for main engine with all valves, valve seats, springs etc. fitted to it.
- Complete set of valves, valve seats, springs etc. for one cylinder of the main and auxiliary Diesel engines.
- Needle valves for main engine and two for auxiliary Diesel engine.
- Piston complete with piston rings, studs, etc. for main engine.
- Piston rod for main engine.
- Set of piston rings for one piston of main and of the auxiliary Diesel engine.
- Complete set of main screw wheels for main engine.
- Connecting rod top and bottom end bolts for main engine and connecting rod top and bottom end bolts and nuts for Auxiliary Diesel engine.
- Set of main bearing bolts for Main engine.
- " " " " " and nuts for auxiliary Diesel engine.
- Set of main crank shaft coupling bolts.
- Set of coupling bolts and nuts for intermediate shaft.
- Set of cylinder cover bolts and nuts for main and auxiliary Diesel engine.
- Complete set of fuel pump working parts for main and auxiliary Diesel engines.
- complete set of piston rings for each piston of main and auxiliary compressor also for the compressor of the electric generator engine.
- Complete set of valves for main and auxiliary compressor and for the compressor of the electric generator engine.
- Rotor and complete set of valves for the Lubricating oil pump.
- Complete set of valves for the water circulating pump.
- " " " " " " daily fuel supply pump.
- " " " " " ballast pump.
- " " " " " bilge pump.
- Set of pads for Michel type thrust block.
- Propeller.
- Assorted quantity of bolts and nuts.Lengths of pipes for the fuel delivery and for compressed air; unions and flanges suitable for each.
- Hot bulb Motor.
- | | | |
|--------------------------------|-----|-----------------------------|
| Set of piston rings | - - | 1 Cylinder head bulb. |
| Pump for heating the bulb. | - - | 1 Complete set of fuel pump |
| Set of valves for lubric.pump. | - - | working parts. |
| " " " " circulating | - - | 4 Complete injectors. |
| Water pump. | - - | 4 Pipes for oil fuel. |
