To the Surveyors at Tallinn.

Vessel's Name, Steamer "MARE".

QUESTION.

ANSWER.

I shall be glad to learn what arrangements the Owners propose making for the completion of the 2nd Special Survey No.3, which became due at the end of May 1939, and for the renewal of the main wheel and pinion of the windlass, as recommended in November last by the Hull Surveyors.

You will observe that the Boiler Survey will become due at the end of next month.
