The Secretary,  
LONDON.

Dear Sir,  
Reference is made to your letter of the 27th October, 1939, in which you refer to the fact that the above-named vessel is to be chartered to the Government of the United Kingdom for the purpose of carrying out a survey of the coast of the United Kingdom.

I am sorry to hear that the vessel is to be chartered to the Government of the United Kingdom for the purpose of carrying out a survey of the coast of the United Kingdom. It is, however, a matter of course that the Government should be able to charter such a vessel for such a purpose. I am sure that you will understand the position.

Yours faithfully,  
The Secretary
