Alabama Dry Dock & Shipbuilding Co.,
Mobile, Alabama.

Dear Sirs:-

With reference to your letter of the 28th ult. submitting proposed alterations of the bunker bulkheads on the Oil Tanker "NELSON", I have to state that provided the arrangements as shown and amended on the plans be adhered to, the materials and workmanship be to the satisfaction of the Society's Surveyors, and the flash point of the fuel oil be 150° F. and above, the same will be approved.

The Fleetweld Electrodes which you propose to use, will be approved.

One copy of each of the approved plans is returned herewith.

Yours very truly,

JF:JL
Encls.

Chief Surveyor.
