BILBAO.

27 th July, 1948.

Dear Sir,

With reference to your letter of the 21st inst, regarding the M.S. "VIRGEN DE LA LUZ", I have just received a letter from Mr. Larrucea, the Society's Surveyor at Barcelona, enclosing copies of correspondence he has had with Dn. Vincente Osénat, the Owner of the Motor Coasters "VIRGEN DE LA LUZ", "VIRGEN DE LA ESPERANZA" and "VIRGEN DE LLUCH" and from which it appears that this gentlemen has decided not to continue with the classification of his vessels with this Society.

For our part, I may say, the decision is not regretted.

Yours faithfully,

(sg) A.E. Scott.

Secretary,
LONDON.
