BARCELONA, 4th January 1946

ANSD

16

Dear Sir,

U.N.L. Valencia, Yard Nº 40

In reply to your letter of the 10th ultimo and in connection with the two last paragraphs of same, I beg to enclose herewith, in duplicate, plan showing the dimensions of the loose coupling between the crank and thrust shafts.

The dimensions of the coupling have been taken on board taken opportunity of the vessel's stay in this port and during one of my visits to Valencia.

If it is possible I shall be glad to receive as soon as possible the Classification Certificates of this vessel in order to proceed to the collection of the first entry fees of her and of the sister ship "VIRGEN DE LA LUZ" (ex Viegen del Pilar).

Thanking you in anticipation

I am, Dear Sir,

Yours faithfully

THE SECRETARY
LONDON

Referred to the Chief Engineer Surgeon

HB

Referred to the D.O.

It is submitted that the Surgeon be informed that the plan forwarded with this letter showing the coupling between the shaft & thrust shaft is noted & in order. It should however be pointed out that the coupling referred to in the Secretary letter of 10th Dec. last & previous correspondence is the loose coupling between the thrust & screw shafts shown in outline in drawing No. 256M.

Return 1 Plan.
Return 1 Copy.
