No. 430

5th March, 1951.

Dear Mr. Coulson,

Referring to your letter of the 8th February regarding the ships which are retaining only their American Bureau class, I think it well to let you know that the Committee have now adopted the suggestion made to you that we should omit the L.R. class of all five ships from the reprint of the Register Book which is now taking place.

This will avoid undue publicity and leave the door open for reclassification with L.R. when your New York Principals lose their new-found enthusiasm for American classification!

With kindest regards,
Yours sincerely,

A. W. Coulson, Esq.,

London, E.C.3.
