29th July, 1947.

Dear Sirs,

s.s. "CAPTAIN FARMAKIDES"

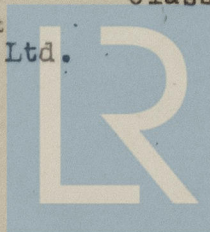

S With reference to your letter of the 17th instant in this case, it is understood that Mr. Pandelides is at present out of town, but I would confirm the suggestion made over the telephone this afternoon that we should be very pleased if, upon his return, he could arrange to call at this Office to discuss the points at issue.

If he would ring me personally I would arrange a mutually convenient time.

Yours faithfully.
