Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.
10th December, 1948.

Dear Sir,

I am in receipt of your letter of the 30th ultimo regarding various vessels of the Lloyd Brasileiro Fleet and have to confirm my telegram today, as under, respecting the Steamer "MINASLOIDE". -

"REURLETTTER 30TH INFORM AUTHORITIES CLASS MINASLOIDE
EXPUNGED BLACK LINE WRITING"

In view of the boiler repairs required in this case (your report No.4299), the Committee have had no option but to give instructions for the class to be expunged with a Black Line.

The arrangements proposed for the survey of the remaining vessels are noted and I shall be glad if you will advise me should the "GOIAZLOIDE" not be submitted to survey on her return to your port as promised and should the other vessels referred to not be drydocked within the next two or three months for the carrying out of the overdue Screwshaft Surveys.

Yours faithfully,

Clerk to the
Classification Committee.

M. Caldwell, Esq.,
RIO DE JANEIRO.
