Sir,

With reference to Liverpool report No 57479 (freeboard measurement) on the S. S. "DURHAM" I beg to acquaint you that this vessel is now undergoing extensive repairs in dry dock here and the Owners are desirous to know what reduction in freeboard the vessel will have as at present constructed, and what further reduction would be allowed provided bulkheads are fitted between main and shelter decks at each end of tonnage opening and also provisions made for securing tarpaulins at tonnage hatch on shelter deck.

I am, Sir.

Your obedient Servant.

R Williams

Principal Surveyor.

A. Scott. Esq.
