Dear Mr. Mares,

Re Freeboard Assignment to the S.S. "LEVENSAU".

The Owners are fitting Hinged doors to the bridge front opening, secured with bolts and nuts not exceeding 6" apart.

Should the percentage for erections now be dealt with under Paragraph 11?.

If so, what freeboard would be assigned.

You might write me to-morrow so that I will get it Monday.

With kind regards,

Yours faithfully,

Wm L. Gilman

Mr. Mares Esq,
London.
