Dear Sir,

With reference to New York Report No.43899, information is to hand that this vessel has been temporarily repaired after being mined and is being used as a bulk storage ship.

I shall be glad if you will be so good as to investigate the matter and let me have your suggestions as to the continuance of the vessel's class. In one or two similar British cases we have continued class with a qualifying notation of "oil fuel storage ship" and perhaps this course might commend itself to the Owners.

I am, Dear Sir,
Yours faithfully,

Wm. Bennett, Esq.
