Dear Sirs,

S.

With reference to your letter of the 4th instant respecting the steamer "MALYGIN", I beg to acquaint you that this vessel will become due in April next for the Second Special Survey No. 1 prescribed by the Society's Rules.

As you are aware, the Society has no Surveyor stationed at Archangel, but Mr. A.J. Helyer is at the present time proceeding to Leningrad for the purpose of taking up duty as the Society's Surveyor there, and in these circumstances I propose to communicate with Mr. Helyer after his arrival at Leningrad with a view to his taking an opportunity of visiting Archangel and reporting to the Committee on the question raised in your letter.

I am, Dear Sirs,  
Yours faithfully,

Assistant to the Secretary.  
Messrs. The Arcos Steamship Co., Ltd.,
