### PRESENT CONDITION OF THE

|  |  |                              |
|--|--|------------------------------|
| Decks                                    | Bulkheads  | Boats                        |
| Caulking of Decks                        | Ceiling  | Masts, Yards, &c.            |
| Coamings                                 | Cement or Asphalt  | Condition, how ascertained   |
| Beams & Fastenings                       | Rudder   | (State if wedges removed.)   |
| Outside Plating                          | Steering gear and its connections                                      | Equipment letter             |
| " " in way of sidelights                 | Windlass   | Anchors, No. of              |
| Frames                                   | Have pumps been examined and found efficient?                          | Cables (State if now ranged) |
| Reverse Frames                           | Have Sluice Valves been examined and found efficient?                  | " length near diamr.         |
| Longitudinals                            | Have Watertight Doors been examined and found efficient?               | (on board.)                  |
| Transverses                              | Have Ventilators and their Coamings been examined and found efficient? | " Rule length size           |
| Floors                                   | Air and Sounding Pipes   | Chain Locker                 |
| Keelsons                                 | Doubling Plates under Sounding Pipes                                   | Hawsers & Warps              |
| Stringers                                |  | Standing and Running Rigging |
| Inner Bottom Plating                     |  | Sails                        |
| Have the Tanks been examined Internally? |  |                              |
| Have the Tanks been tested?              |  |                              |

### General Observations, Opinion as to Class, Recommendation, &c. :-

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example:—"to remain as classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey, 1,38," or "to remain as classed and to have record of survey, 1,38, and the notations of ss No. 1-38."

|   |   |   |   |                   |
|---|---|---|---|-------------------|
| Survey Fee (per Section 29)                         | £ | : | : | Fees applied for, |
| Special Damage or Repair Fee (if any) (per Sec. 29) | £ | : | : | 19                |
| Travelling Expenses (if chargeable)                 | £ | : | : | Received by me,   |
| Second Surveyor's Fee (if any)                      | £ | : | : | 19                |
