Trieste (III), 27th March 1940.

Casella postale No. 2.

Reference

Dear Sir,

m.s. "BARBARIGO".

In reply to the classing letter of 15th instant regarding Trieste Report No. 12832 on the above vessel we have to inform you that no opportunity was afforded to ascertain what material the corroded rivets were made of. However, arrangements will be made for the necessary verifications to be carried out on the occasion of the next drydocking in about 4 months time, when the remaining defective rivets will be dealt with.

I am, Dear Sir,

Yours faithfully,

[Handwritten signature]

The Secretary,

WOKINGHAM.
