

M.S. "BARBARIGO".

Extract from Tri. Rpt. No. 9221, dated 23.6.31.

..... "Alterations. The steel W.T. Door closing  
"the tonnage opening has now been replaced by efficient  
"temporary covers, 6 bronze scuppers each side,  
"discharging overboard and fitted with non-return valves  
"have been fitted in the shelter tween deck. The former  
"tween deck scuppers discharging in the bilges have been  
"closed up".

"The original freeboards have been computed as  
"if the vessel had a tonnage opening at the time of  
"assignment, no alterations are therefore now required.  
"See also our letter dated 22.8.30.

"The vessel has been remeasured for tonnage with  
"the following results: Gross 5293.13 tons  
U.Dk 4147.65 "  
Nett 3061.48 " .

*14.7.31.*

*The above alterations do not  
affect the freeboards previously  
assigned, but the records  
of tonnage in the Register Book  
should be amended as above.*

*See endorsement from Reports  
Dept. regarding alteration of  
records of decks and bulkheads.*
