Dear Sir,

Herewith we acknowledge your letter of the 7th instant enclosing Freeboard Certificate, in duplicate, of Dredger "CHUN PING" building by Messrs. Henry Robb Ltd.

The Builders inform us that they have been searching for a sketch showing preparations made for the voyage to India on a Sister Vessel "RUKAMAVATI", first entry report on which together with plans was forwarded to you on the 22nd February, 1926. The plans which were forwarded with this report, if we remember correctly, included sketch showing preparations which were made for the above mentioned voyage, and if this is the case we shall be obliged if this sketch may be forwarded to this office for the information of the Builders and ourselves in connection with the fitting out of the vessel "CHUN PING" for the contemplated voyage to China.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.
