Dear Sirs,

With reference to your freeboard verification of marking form for the dredger "CHUN PING", Messrs. Henry Robb's yard No. 125, I now transmit herewith new freeboard certificate, in duplicate, for issue when the Official Number is entered thereon, and when the vessel is suitably prepared for the voyage to China.

A detailed report, accompanied by sketches if necessary of the preparations made for the voyage, should be sent to this Office as promptly as possible.

I may add that it has been arranged that a Senior Surveyor from Glasgow will join in this survey.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

LEITH.
