4th March, 1903.

Encl. 1 letter.

M      Gentlemen,

I am in receipt of Mr. McAuslan's letter of yesterday's date, enclosing one from Messrs. Ferguson Bros. respecting the change of name of their new tug No. 176, and as desired I now send herewith new Freeboard certificates for this vessel made out in the name "DARENT".

It is concluded the marking is still in order, but this should be confirmed by letter in view of the new certificates bearing the present date.

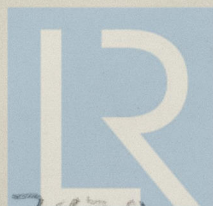

I am, Gentlemen,

Your obedient Servant,

The Surveyors,

Secretary.

GREENOCK.
