Messrs. Lloyd's Register of Shipping,

K O B E

Dear Sirs,

We beg to state that the ship named "ANDREAS" of Panamanian flag has now been taken over by our firm. As the ship is placed for coasting service only it has been decided, with our regret, that her class with your Society be discontinued.

No classification certificate could be found on board but the Load Line Certificates are being returned herewith for cancellation.

Thanking you for your past favour,

Yours faithfully,

SHIMATANI KISEN KAISHA.
