s.s. "GUINE".

Capt. Laura called and explained that the letter addressed to this Office by the Owners in regard to the steamer "TERNEUZEN" had been received by him, but he had decided not to forward it on, and requested that the matter might now be considered as settled. He did not disclose the contents of this document.

He added he was proceeding to Amsterdam to act on behalf of the Owners in the case of the steamer "GUINE" and will communicate immediately with this Office should circumstances demand.
