8th February, 1938.

Dear Sirs,

H. I am in receipt of your letter of the 7th instant relative to the steamer "TERNEUZEN" and in reply to your enquiry I have to say that, as no part of the 2nd Special Survey No. 1 has been held at Lisbon it is concluded that the list forwarded by the Surveyors at that port refers only to damage repairs necessary.

I may add that the fee of £125 covers the reclassification survey and the damage repairs.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
AMSTERDAM.
