The Secretary,
LONDON.

Dear Sir,

Sydney Rpt. 20553 "BULIMBA"

In reply to your letter of the 28th August last, regarding the missing bower anchor, we have to inform you that we took the view that the two bower anchors on board are sufficient until War Emergency Regulations permitting reduction of equipment are rescinded, and we therefore recommend that a third bower anchor be then supplied.

Yours faithfully,

THE SURVEYORS:
