

Copy of Airgraph to A.J. McCowan, Esq.  
SYDNEY

High Close, Wiltshire Road, Wokingham, Berks.

10th April, 1945.

Dear Sir,

I duly received your airgraph of the 26th February respecting the steamer "BULIMBA" and note your remarks.

It is concluded that for maintenance of class all overdue surveys will be held concurrently with the "Off-Survey" but should the vessel revert to ordinary trading without this being done, you should advise me by cable with a view to the class being dealt with.

In any case please keep me fully posted.

I am, Dear Sir,  
Yours faithfully,

Clerk to the  
Classification Committee
