

25th November, 1948.

Dear Sir,

H. With reference to your letter of the 4th and memorandum of the 19th August last respecting the Steamer "GUARARA", I shall be glad to learn how this case now stands and when the plans of the new machinery will be submitted for approval.

I think it well to point out that a Special Survey will become due at the end of February next and it is thought that the Owners may desire to carry out this inspection during the installation of the new machinery. I shall be glad, however, to receive your comments in this connection.

Yours faithfully,

Clerk to the
Classification Committee.

ldwell, Esq.,

RIO DE JANEIRO.
