

3rd May, 1948.

Dear Sir,

I have to acquaint you that information has reached this Office that the Motorship "MACBETH" is now the property of Messrs. Hovden & Torresen of Stavanger.

H.

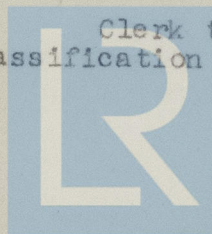

The vessel was built under the Society's survey in 1940 and assigned the class "LOO A -, Steam Trawler, For Government Service". She appears to have been fitted with an oil engine and to have been lengthened, and it is concluded she is now employed in commercial service. It is therefore assumed that the Owners do not desire to continue her classification with this Society, but I shall be glad if you will get in touch with them and confirm that this is so.

Yours faithfully,

Clerk to the
Classification Committee.

S. A. Eide, Esq.,

BERGEN.
