This vessel became due for Annual Boiler Survey in  
June last.

She has recently been sold to Japanese Owners, who  
have informed the Society's Surveyors at Kobe that they have  
decided not to continue her classification in the Society's  
Register Book.

In the circumstances the Classing Committee, who  
had the case before them on Tuesday, 7th instant, decided to  
give instructions for the vessel's character to be withdrawn  
from the Register Book and three dots (...) inserted in lieu  
thereof, indicating withdrawal of class at Owners' request.
