

"LUCIA 2" ex "CHANT 2".

This is one of the "Chant" Class Tankers, for which the scantlings and arrangements have been approved for the Class 100A- "Carrying Petroleum in Bulk" "Coasting Service" with limits to be submitted for consideration.

The Lisbon Surveyors report by cablegram that it is desired to alter the service of this vessel to include trading from Lisbon to Bayonne.

The scantlings and arrangements are considered suitable for the above service, and it is submitted the notation of service be amended to "For Service in the Mediterranean, North African Coasting ~~Service~~ to Dakar and European Coasting ~~Service~~ to Bayonne".

AM

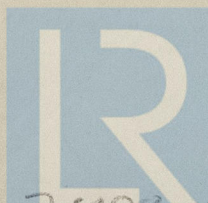

18th September, 1946.

done by staff.
It is submitted the New York Office be informed as above, also that the notation on the Load Line Certificate will be suitably amended.

The Lisbon Surveyors should be advised by cable regarding the extension of class. *OK*
