Enclosures.

11th July, 1946.

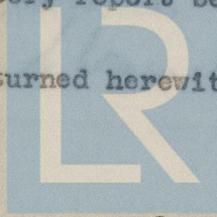

Dear Sirs,

"CHANTS 6 & 52.

I duly received your letters of the 19th and 27th ultimo, together with the plans referred to therein relating to the above vessels, and with regard thereto have to acquaint you that the electrical installations, as shown on drawings Nos. 1754 and 4232, will be approved, provided in the case of vessel No. 6, the mains for the alternative supply to the navigation lights from the accommodation fuse board be rewired in 7/036 cable or the existing mains protected by an additional pair of fuses adjacent to the accommodation fuseboard and a satisfactory report be received from the Society's Surveyors.

The plans are returned herewith and a further

communication/...
