Your Ref: LR/AH/SP.

Dear Sirs,

"CHANTS 6 & 82".

I am in receipt of your letter of the 11th instant enclosing a copy of one from Messrs. Crossley Bros. Ltd. in connection with the machinery of the above vessels.

I would now confirm the discussion with you and the Owners in this Office yesterday when it was arranged that the Owners should apply direct to the Builders for the following plans:-

1. Intermediate and Screw Shafts and details of propeller.
2. Oil Fuel piping arrangement and O.P. tanks not forming part of the structure of the vessel.
3. Bilge and ballast pumping arrangements.
4. Electrical circuits.

It is noted that the Owners desire the torsional vibration characteristics to be examined.

Yours faithfully,

Secretary.
