

Proposed Classification

Shipbuilders: Messrs. Howard Jenens & Co Yard No.

Engineers: Messrs. CHANT N° 6 Engine No.

CHANT N° 52

Grasdal Tankers built to British Corporation Class
Plans of Machinery, Electric circuit Pumping engls

It is submitted Messrs Howard Jenens & Co to inform
reply to their letter of the 11th inst & in confirmation of
day discussion in this office with the Owners, that they
will apply direct to the Builders for the following plans:-
Intermediate & Screw shafts & details of propeller
oil fuel piping engls & O.F. tanks not forming part of
the structure of the vessel.

Bridge & Ballast pumping arrangements.

Electrical Circuits.

noted that the Owners desire the torsional vibration characteristics
to be examined.
& further submitted that the Surveyors at Hull &
advisors be advised & be asked to approach the
respective Builders with a view to the plans
being furnished at an early date,
as they are urgently required for
the completion of the classification surveys.
The Owners are applying direct to the Builders
for the plans.
