24th December, 1934.

Dear Sirs,

H. I shall be obliged if you will kindly ascertain from the Owners of the Motorship "KANLAON" and let me know whether the new Auxiliary Engine No. 80374 made by Messrs. A.B. Atlas Diesel has yet been fitted on board this vessel to replace a small auxiliary engine.

In this connection I may say I am in receipt of a letter from the Society's Manila Surveyor in which he states he has not received a reply to an enquiry addressed to the Owners on this subject.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
