Dear Sir,

This vessel, which has been laid up for some weeks in Genoa Harbour, went in dry dock yesterday and on presenting ourselves for the survey we were informed by Captain Corrado that he had decided not to continue the classification in this Society.

This decision was confirmed by letter, a translation of which is enclosed herewith, and we may state that the other vessels referred to therein are the steamers "SAN PIETRO", "VODICE" and "BASSO PIAVE".

Yours faithfully
