# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

22nd September, 1920.

Dear Sirs,

A.

With reference to your first entry report No.15785 on the Double Reduction Geared Turbines made by Messrs. Richardsons, Westgarth & Co., I have to inform you that the Society's Surveyors at Middlesbrough report that these turbines have been fitted into the s.s. "WAR PICTURE" (now named "DALMAZIA"), Messrs. The Furness Shipbuilding Co's No.16 vessel.

Accounts have to-day been rendered to the Accountant General, Ministry of Shipping, for the fees due for the survey during construction of the hull and machinery of this vessel, and on payment, \$24:4:3 will be credited to your port for the survey during construction of the turbines.

I shall therefore be glad if you will kindly see that the necessary entries are now made in your Rough Fee and Debit Books in the usual way.

I am, Dear Sirs,  
Yours faithfully,

Secretary.

The Surveyors,

WEST HARTLEPOOL.
