

**VIRGEN DE LA LUZ.**—Seville, July 17.

—Spanish motor vessel Virgen de la Luz was sunk yesterday morning by Spanish steamer CABO SACRATIF while coming up River Guadalquivir. CABO SACRATIF was outward bound and was apparently undamaged. Navigation free.

LL 19.7.48

**VIRGEN DE LA LUZ.**—London, Oct. 13.

—In reply to inquiry, Lloyd's Agents at Seville write under date of Oct. 9: Spanish motor vessel Virgen de la Luz has not yet been refloated. We are informed that an attempt to refloat the vessel will be made in the near future, preparations being already in progress. (See issue of July 19.)
