Barcelona 7th May 1945

Dear Sir,

Again I beg to refer to my letter of the 22nd February last and to your kind reply of the same month.

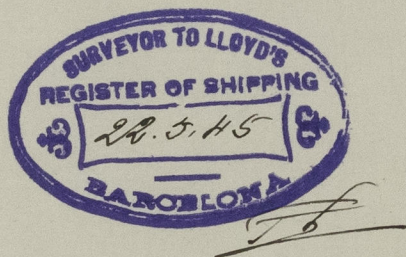

Our Head Office request me to kindly inform you that as the scantlings and arrangements of the vessels "VIRGEN DE LA LUZ" and "VIRGEN DE LA ESPERANZA" do not comply with the requirements of this Society for an unlimited trading service, it is necessary that the limits be defined before the Class is assigned to these vessels.

The type of notation limiting the service may be: "Coasting service, Marseilles to Cadiz" or the similar limits you may be good enough to define.

Awaiting your news,

I am, Dear Sir,

Yours faithfully

Sr.D.Vicente Enseñat
