EXTRACT FROM A LETTER RECEIVED FROM PARIS DATED THE  
19 TH NOVEMBER, 1948      RECEIVED 22ND NOVEMBER, 1948.  
ORIGINAL WITH "MONKAY".

It regret also to report the transfer of the tanker  
"DONGES" to the Classification of the Bureau Veritas. This  
transfer has been notified to this Office by the Compagnie  
Maritime de Transports de Goudron, who were the Managers of  
this vessel on behalf of the Government, and are now the  
Owners. In connection with this case, I should add that, in  
July last, and following upon a visit I paid to the Owners,  
the latter had agreed verbally and by letter, to make arrangements  
for the Special Survey to be carried out this month.
