Dear Sir,

I duly received your letter of the 8th instant relative to the steamer "MINNA" and have to say that the assignment letter addressed to the Owners has been handed over to them,

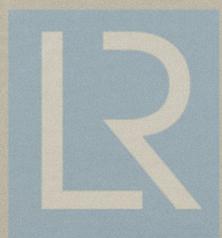

The Owners state it will suit them best to complete the freeboard survey at this port and that the vessel is expected to arrive here in a few weeks.

As to the hook bolts referred to in your letter I beg to state that these are not passing through the bulkhead plating.

I am, Dear Sir,

Yours faithfully,

The Secretary,
London.
