

"MARY SWEENEY"

F.E. Rpt. St.J.. No. 1036

It is submitted before this case receives consideration the
reply from the NEW YORK Office regarding the service limits be
awaited.

It is further submitted the SAINT JOHN Surveyors be
requested to furnish the soundings of the single bottom in the
Machinery Space and to state the position of the W.T. Bulkheads
extending to the Upper deck.

They should be informed it is concluded the length of the
double bottom is 71.5' and not 79.83' as reported, but this should
be confirmed.
