ENCLOSURES.

14th August, 1933.

Dear Sir,

I am in receipt of your report C.11 on the steamer "W. E. OGILVIE", and enclose herewith the usual assignment letter.

In this connexion I have to refer you to your letter of the 18th April last relative to the question of this Society being authorized to assign freeboards and issue International Load Line Certificates to ships registered in Cuba, and to enquire whether any further developments have taken place as regards this matter.

In the event of the Society being authorized to assign such freeboards, I think it well to enclose herewith for the information of the Authorities a photostat copy of your report C.11 on this ship, together with a copy of the freeboard computation.

I am, Dear Sir,

Yours faithfully ,
