Dear Sir,

"HAMLET"

1999 tons

In reply to your letter of the 15th instant it was the new Owners original intention to keep the vessel in Lloyd's Register Class and the survey was commenced at their request.

When however he found that we were asking for opening up to reasonably comply with the Rules, he stated that this was the same as Germanischer Lloyd would require for classing the vessel, and accordingly withdrew the vessel from our class.

We note that you consider that a proportionate fee should be charged and we will accordingly render an account on this basis.

Yours faithfully,

The Surveyors,

Per:

M. Chambers.
