15th March, 1956.

Dear Sirs,

Admin/F

With reference to your letter of the 7th instant regarding the Steamer "HAMLET", it is concluded that the proportion of the Machinery Survey held prior to the Owners decision to transfer the ship to Germanischer Lloyd class, was carried out at the request of the Owner's representative. If this is the case there appears to be no reason why a proportionate fee should not be charged for your services but I should be glad to receive your comments.

Yours faithfully,

N.W.S.

pro Secretary.

The Surveyors,
BREMEN
