6th January, 1931.

Dear Sir,

H. I duly received your letter of the 9th ultimo, forwarding freeboard verification forms in respect of the American freeboards assigned by the American Bureau for the following vessels:- "STANDARD", "H.M. FLAGLER", "H.T. BEDFORD" and "FRED W. WILLER".

With regard to the forms for the steamers "NEW JERSEY" and "DERBYLINE", I have to state that as freeboard is not a condition of the classes of these vessels, and freeboards have never been assigned by this society, no further action is necessary.

I am, Dear Sir,

Yours faithfully,

Secretary.

James French, Esq.,

NEW YORK.
