Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

21st November, 1930.

Dear Sir,

M.

With reference to Mobile report No.885 on the S.S. "H.M.FLAGLER", which has been transmitted by you to this Office, it is observed that freeboards have been assigned to this vessel by the American Bureau under the American Freeboard Regulations for Tankers, and alterations have been made to conform with these Regulations.

With regard thereto I am directed to state that the case has been carefully investigated, and that no objection will be taken to the freeboards assigned by the American Bureau.

You should therefore arrange for the freeboards marked to be verified, and for the usual verification of marking form to be forwarded, in order that the records in the Register Book may be amended.

I am, Dear Sir,

x Yours faithfully,

J. French, Esq.,

NEW YORK.
