BRITISH COLUMBIA

1319 MARINE BUILDING
VANCOUVER, B.C.

October 16th, 1935.

The Secretary,
Lloyd's Register of Shipping,
London, E. C. 3.

Initial S.

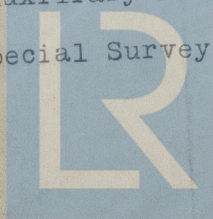

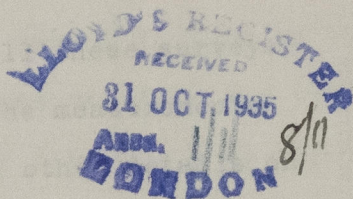

Dear Sir:-

I have to acknowledge your letter of October 2nd. with reference to Vancouver Report No. 4006 on the Steel Sailing Ship "MOSHULU", and drawing attention in connection therewith, to the vouchers forwarded with our returns showing a fee of \$40.00 and \$31.00 expenses paid to Mr. R. Knox in connection with the survey of this vessel at Victoria on May 28, 29, 30 and 31st.

The survey for classification on the "MOSHULU" commenced on dry dock May 28th., and was continued on May 29, 30 and 31st.

I also had a survey at Victoria on the Cableship "RESTORER", including uptakes and inner funnel.

Surveys were also held on these days at Victoria on the Barge "FIBREBOARD" and the Auxiliary Arctic Schooner "ST. ROCH", which was undergoing Special Survey.

Under the circumstances I took Mr. Knox with me to Victoria.

Mr. Knox assisted me at all these surveys, but principally in connection with the measurements for freeboard and classification and other details on the "MOSHULU".

As the surveys were carried out by myself with Mr. Knox accompanying and assisting me, it was not considered necessary for him to sign the reports.

Yours very truly,

A. Scott

Surveyor
