

Steel 4-masted Bk. "MOSHULU" - built 1904 - 3117 tons gross

This vessel, which has never been classed with this Society, has been under survey at Vancouver for classification, and the following fees have been charged :-

	<u>Dollars</u>	<u>Pounds</u>
First Entry	35	7
Special Survey	250	50
Special Survey of masts	<u>35</u>	<u>7</u>
	320	64

In previous similar cases it has been customary to charge a fee of approximately 40% of the amount that would be chargeable for Special Survey during construction of a new vessel of the same tonnage.

On this basis the fee chargeable in this case would be say £93, and it is considered that a higher fee than £64 should have been charged.

It is submitted the Vancouver Surveyor be informed accordingly through Mr. French.
