Dear Sirs,

I am in receipt of your letter of yesterday's date respecting the Four-Masted Barque "MOSHULA", No. 52111 in the Register Book, and in confirmation of my telephone message to you may say that the enquiry regarding the possibility of obtaining the plans from the Builders was due to the fact that a cablegram was received from the Society's New York Office, stating that the new Owners of the vessel were requesting classification with this Society. It was therefore desired to ascertain whether the Builders could furnish plans showing the scantlings of the vessel as built.

In view of your telegraphic reply I have cabled the Society's New York Office, informing them that there are no plans or records available.

Thanking you for your attention,

I am, Dear Sirs,

Yours faithfully,

Copy Glasgow.

The Surveyors,
GREENOCK.
