The Surveyors,
PHILADELPHIA.

Dear Sirs:

With reference to the plans which have been forwarded in connection with the First Entry Report No. 7403 on the S.S. "ESSO BANTOWN", I have to point out that these plans should be clearly marked with the name of the steamer and your report number in order that they may be properly identified.

You might kindly see that this is done in the future.

Yours very truly,

Principal Surveyor.
