Name, Hopper Dredger "KAIONE".

QUESTION.

ANSWER.

Date:— 18th May, 1936

With reference to the  
 letter addressed to you on the  
 17th inst. last, I shall be glad to  
 know whether this vessel is still laid

I was at Castlecliff on the  
 8th inst. carrying out the Annual  
 Boiler Survey of the Tug "Kahanui"  
 belonging to the same Owners  
 (Wanganui Harbour Board) and I had  
 a walk round the "Kaione" which  
 was lying at the next berth. She  
 is kept in good condition internally  
 and externally down to her draught  
 line and regularly painted but she  
 really should be drydocked and the  
 Board proposes to send her down here  
 at the end of the year for this  
 purpose.
